

Cloudy Day Report

Group 21

Evaluating Target Group 9

June 3, 2026

Diogo Sousa

Documentation Feedback

[Insert your feedback regarding the clarity, completeness, and structure of the OpenAPI specification provided by the target group.]

Testing Results

Smoke Testing (Endpoint: /example)

[Insert the details of your smoke tests. Describe the tools used, the scenarios evaluated, and whether any broken links or malfunctioning behaviors were found.]

Stress Testing (Endpoint: /example)

[Insert the details of your stress tests. Describe the tools used (e.g., Locust), the concurrency settings, and the observed Requests Per Second (RPS) limit.]

Bruno Faustino
